Parking

Limited on-street parking is available. Car parking is available at the Iceland car park (opposite Stevensons) at a charge. Longer stay parking is available at the NCP car park in Victoria Street.

Specialist Garments

Although Stevensons hold very substantial stocks, they are always pleased to make to order school garments for sturdy, petite or exceptionally tall children. However, this service does take time, normally six to eight weeks, so please ensure you allow plenty of time when placing your order.

When to Purchase your Uniform

Stevensons carry a large stock of Uniform but occasionally certain sizes can be temporarily out of stock. We would suggest purchasing your Uniform before the end of July, to ensure Stevensons are able to meet your requirements before the start of term.

Alterations

Stevensons offer an alteration service for items of Stevensons schoolwear.

Schoolwear Basics

In addition to special Uniform items, Stevensons stock a full range of standard schoolwear and sportswear. For example, trainers, football/rugby/hockey boots etc.
