

## **Revision Notes: Summer Exam Music Yr 7, 8, 9**

- 1.) Learn the following words and their meaning:  
Dynamics, tempo, texture, timbre, melody, harmony,
- 2.) Check you know what a chord is and how it is played.
- 3.) Check you know where the notes are on the keyboard – you may use the keyboard card but make sure you know how to put it in the correct place.

**You will use the keyboard for your practical assessment. If you play a different instrument, such as guitar, flute or drums, you may use this instead.**
