

# Art and Design

## Year 7 and 8

There is very little revision required for Art and Design as it is a practical exam. Students will be asked to sketch and then paint some objects, therefore it would help to remember how to mix colours. Please learn the following:

Red Yellow and Blue are the three Primary colours

Red and yellow mixed → orange

Yellow and blue → green

Red and Blue (more Blue) → Indigo

Red and Blue (more Red) → Violet

Red and white mixed → pink

Black and white → grey

Please bring a pencil, rubber and ruler to the Art exam.

Good Luck!
