

# Design a Christmas Tree Decoration

After the success of last year's competition we will be again running a competition to design a Christmas tree decoration for the Christmas tree in the entrance hall of our school. The competition is open to all children in Reception, Year One and Year Two. There will be a prize for the most original, imaginative decoration from each class.

- Please make sure your decoration has a loop/ tag so it can be hung on the tree
- Make sure your name is on your decoration
- Remember that your decoration will be going on the tree so please make sure that it is not too big or heavy. We don't want the tree to topple over!
- You may bring in your decoration from Monday 21<sup>st</sup> November. The closing date for entries is Friday 2<sup>nd</sup> December.
- Please give your decoration to your class teacher.
